

# Yeronga State High School Newsletter

Issue 12

12 December 2014

## From the Principal...

As I write my final column for the year, I ponder about how much we have achieved this year, how much I have learned about the Yeronga State High School community over the last seven and a half years and how privileged I am to be Principal of this very special and dynamic learning community.

Everyone would be aware that our school suffered a great deal of damage during the recent "super storm" which necessitated the cancelling of school on Friday, 28 November. The Administration building and over 30 classrooms and staffrooms were affected by broken glass and significant water damage to carpets and learning resources. The Department's Building and Asset Branch (BAS) and the Regional Facilities team have been working round the clock replacing over 300 windows and carpets in all affected rooms. Whilst we have been significantly inconvenienced and have been required to develop alternative programs during the repairs, a positive is that we will start 2015 with new carpets throughout the school and all damaged resources replaced.

### 2015...

The beginning of the year will see a redeveloped Tuckshop. The new layout will include a large self-serve area will be air-conditioned courtesy of a \$130,000 upgrade.

We will also see our school evolve into an **Independent Public School (IPS)** which will be directly accountable to the community via a School Council which will be established in Semester 1 next year. As a high performing school, we will continue to have a focus on the "business of learning" and "Quality, Harmony and Sustainability" will also continue to be our underpinning values.

### Opinion Survey Data

The following information has been gleaned from preliminary data that has recently arrived:

#### **Student Results** (129 students responded)

*Results averaged 93% for all questions.*

*Nearly every student response was again above "state" and "like-school" means. It is pleasing to know that our students believe that Yeronga SHS is the best secondary school in Queensland.*

#### **Parent Results** (188 parents responded)

*It was very pleasing to note the overwhelming number of parents who responded and showed their confidence in the school with an average of 98% for ALL questions.*

*Some examples include:*

- *This is a good school (98.9%)*
- *My child feels safe at school (97%)*
- *I would recommend this school to others (98.9%)*
- *This school provides me with useful feedback about my child's progress (98.4%)*
- *My child is getting a good education at this school. (97.9%)*

#### **Staff Results** (97 staff responded – teaching and support staff)

*Again, pleasing results with an average of well over 90% for nearly every question, indicative of the great staff morale in the school. (As a parent, it is good to know that staff at the school believe that Yeronga State High School is a great place to work and that they really are making a difference in the learning and lives of students - happy staff means much better outcomes for students.)*

### 2015 Information

Included in this newsletter is information regarding Uniform Shop opening hours in the new year. A list of

#### Address

159 Villa Street

#### P & C Meetings

Every 2nd Monday  
of the month - 6.30pm

Cricos Provider No  
0608A

Page 2 stationery requirements for 2015 will be mailed home with report cards. I would ask that you read these and ensure that students have the appropriate uniform and materials ready to start the new school year (see relevant page in the newsletter on appropriate footwear). All students start back at school on Tuesday, 27 January 2015.

### **2015 School Fees**

Next year, a one-off Resource Hire Fee will operate for all students in Years 8 – 12. The fee (\$450.00) includes all **basic materials and technology needs** that students require to be effective learners. Our Resource Hire Fee also covers sport materials and transport for Gala days, as well as enhanced services for students and parents. (Specific excursions and camps are extra and Year 12 students may also have the extra costs of a senior jacket and attending the Formal and Year 12 Graduation to consider.)

We are very happy to negotiate regular payments through B-Pay or Centrepay for parents who wish to pay by instalments. (\$35.00 per fortnight deductions are common and cover nearly all fees and activities and some uniform costs). The P & C overwhelmingly supports our commitment to learning through high standards, effective pedagogy and appropriate technology and we pride ourselves on our value addedness for every student.

### **Staffing News**

We welcome...

Mrs Lexie Buswell – Our newly appointed Master Teacher / Pedagogical Coach from Woree State High School  
Mrs Paulina Armstrong - Our new Head of Curriculum (Numeracy) from Calamvale Community College.

### **The leadership team for 2015 will include:**

Principal	Terry Heath
Deputy Principal (Years 7 – 9)	Di Goodison
Deputy Principal (Years 10 - 12)	Bob Logan
Head of Special Education Services	Jessica Walker
Business Service Manager	Jo Muir
Executive Team Support	Tracey Walker

### **Heads of Department / Curriculum - Classified Officers**

English	Angela Maguire
Science / HPE	Steve Smith
Mathematics	Peter Cooper
SOSE / Business	Phuong Truong
The Arts	Gordon Collis
IT	Anna Petrie
Junior Secondary	Matt Petersen
Senior Schooling	Kathy Fortescue
Guidance Officer	Brad Milford
Literacy	Tiffany Ostwald
Numeracy	Paulina Armstrong
Master Teacher	Lexie Buswell

### **Co-ordinators for 2015**

Year 7	Tiffany Ostwald
Year 8	Matt Petersen
Year 9	Felicity O’Neill
Year 10	Kathy Fortescue
Year 11	Sam Dilly
Year 12	Brad Barratt
Sports Director	Geoff Palmer
Exceptional Learners’ Program	Felicity O’Neil
International Students Program	Maria Pudlyk

### **Happy Holidays**

I would like to wish all members of the Yeronga community a very safe, relaxing and enjoyable summer holiday and festive season. I look forward to working with you again in 2015 to achieve our vision of “Quality Pathways to Success” for each and every one of our students.

**Terry Heath**  
**Principal**

## Student Timetables for 2015

All students will be allocated a new timetable for 2015. Except for Year 12 students, the timetable is based upon the preferences that students indicated on their electronic subject selection. At this stage there have been a number of minor clashes where students have been asked to make a choice between two subjects that have been scheduled at the same time. I anticipate that these conversations will continue in the first week of school before a small number of students make their final selection.

Some students in Years 11 and 12 have already been enrolled into Distance Education subjects for 2015. These enrolments take place when there are limited numbers of students choosing a subject at school. As mentioned at the beginning of 2014, Vietnamese shall cease to be offered in 2015 due to decreasing numbers of students. Students may sit an external exam at the end of 2015.

If students are concerned at the beginning of the year about their subject selections they have until the end of the first week to make these known so that alternative selections can be made.

In 2015 we will have a new daily structure with the same starting and finishing times. Each day shall be five periods in length except for Wednesday which will have six periods. The reason for the change is to make it easier for the large number of students who miss days due to excursions, traineeships or other studies to catch up on the work they miss when away. Currently each subject has three lessons of 70 minutes. Next year there shall be 4 lessons comprising of 60, 60, 50 and 40 minutes.

Enjoy the break!

**Bob Logan**  
*Deputy Principal - Years 10 - 12*

\*\*\*\*\*

It's the last newsletter for 2014! What a busy year it has been for Yeronga students - from learning and achieving in class to having fun through camps, socials and DARE days. With school reports coming home early next week, it is also a chance for parents and students to reflect on what has gone well and where things need to improve in the future.

We are all really excited about 2015. Year 7 students finally join "the BEST school in the UNIVERSE!"

Classrooms will be freshly painted and carpeted, electronic smart boards installed, lockers relocated and play areas defined. Having met our future Year 7s and 8s at enrolment interviews, I can't wait to kick start the new school year with a BANG! What better way than a three day camp to Lake Moogerah in Week 6. Can't wait!

## Literacy and Numeracy are still the words!!

In 2015, our Head of Curriculum - Reading and Literacy, Ms Tiffany Ostwald, will again be guiding our teachers in the explicit teaching of reading in every classroom every day. Reading intervention programs for Junior Secondary students who are not meeting national benchmarks, will again be delivered in a 1:1 or small group programs. Our exceptional readers will also be challenged to fly even higher with timetabled extension programs focusing on higher order thinking skills and inferential comprehension

In 2015 we will also welcome our new Head of Curriculum - Numeracy, Mrs Armitage, who will take charge of Yeronga's Numeracy programs and professional development for teachers.

## Digital Age

To ensure our young people are skilled for the digital age, the 1-1 laptop program will continue to expand next year with the purchase of over 1000 brand new personal devices. Thank you to all our parents and students who made sure their laptops and tablets were returned by the due date. With over 650 devices on loan to students, there were only a handful of machines that library staff had to chase up.

Lastly, I wish everyone a warm and restful holiday period. Have a safe break and see you in 2015.

**Di Goodison**  
*Deputy Principal*  
*Junior Secondary School*

## Head of Special Education Services: English as an Additional Language or Dialect (EALD) Unit

2014 is almost over and it has been an incredibly eventful year. We have welcomed many new staff and students and farewelled some dear friends. We have all taken joy in sharing and celebrating student success and have pulled together to overcome challenges along the way. Looking back on the year that was, I can see our school community has moved forward together in a very tangible way. We are determined to leave our world all the more precious for our presence in it. I would like to take this opportunity to thank all the staff, volunteers and students for their hard work in making this year such a positive one.

I am looking forward to reflecting on all our successes over the holidays as we start looking towards what 2015 will bring. On the top of my list is welcoming our new students and getting ready for our biennial MULTICULTURAL DAY FESTIVAL! The MCD Festival is scheduled for Term 3, on Friday, 14 August 2015 and we will need to start preparing from the very beginning of the year.

Students – enjoy your holidays – relax and recharge, ready to continue your learning journey and experience even greater achievements next year. Remember to have fun with your friends and family while also staying safe! I look forward to seeing everyone after the holidays.

### **Volunteer Morning Tea**

On Thursday, 27 November we celebrated the fantastic work our volunteers do at a special THANK YOU morning tea. Our school would not be as successful and supportive without our wonderful volunteers. These people selflessly give up their time to work with students and teachers to produce some brilliant outcomes. Making a significant difference in the lives of others has a powerful impact on people and our volunteers enjoy coming to spend their time here, forming positive relationships with students and staff alike.

Our Volunteer Program is a resounding success due to the efforts of Enija Neskovic, one of our EALD Teacher Aides. Enija works tirelessly to ensure volunteers are recruited, supported and made to feel most welcome here – without her we would not have the strong Volunteer Program we do – so thank you for all your hard work, Enija!

If you know someone who would like to donate their time (even if only once a week) to assist our students in class, read with them outside of the classroom or support them in completing homework and assignments, please ask them contact either Enija ([enesk1@eq.edu.au](mailto:enesk1@eq.edu.au)) or me ([jwalk382@eq.edu.au](mailto:jwalk382@eq.edu.au)) so we can include them in our Program for 2015 – good intentions and a kind heart are essential.

*Jessica Walker*  
**Head of Special Education Services**  
32491433 [jwalk382@eq.edu.au](mailto:jwalk382@eq.edu.au)

### Year 8

As we reach the end of the first year of high school it is important to take some time to reflect on personal and group achievements of students over the course of the year. From academic excellence, cultural, sporting and effort and endeavour awards, to literacy enhancement and national and international competitions / quizzes, there has certainly been some very busy learning going on.

With reports coming out early next week, it is important for students to reflect on their efforts over the course of the semester and carefully consider how they are going to put into action, a plan to move forward in Semester 1, 2015.

On Wednesday, about 85 Year 8 and 9 students set off to Dreamworld for the end of year trip. What a wonderful way to end the year with large groups of friends enjoying the company of their class mates in the long lines for the rides.

I would like to wish all Year 8 a safe and fulfilling summer holiday and look forward to continuing to work with you in 2015.

### For our new students and parents/carers joining Yeronga SHS

2015 will bring some new challenges and opportunities. In particular I am looking forward to the Junior Secondary Adventure Camp (Years 7 & 8) which is booked for Monday, 2 March – Wednesday, 4 March at Lake Moogerah. Permission forms are due back on Friday, 30 January and the cost is \$240.00. As there may be some new enrolments at the start of next year, there will be a last minute chance to join the group but our timelines will be incredibly short.

The cancellation of the transition program, whilst disappointing, was necessary as our new students would not have been able to access any classrooms due to the storm damage. Fifty-five Year 10 and 11 students completed two days of Leadership Mentoring Training last week to help welcome our new Year 7s and 8s next year in fortnightly peer mentoring sessions.

On Tuesday, 27 January all Year 7 and 8 students and their carers should meet in the Cultural Centre where Ms Tiffany Ostwald (Year 7 Coordinator) and myself (Year 8 Coordinator) will be waiting with great excitement of our new phase of schooling.

### Representative sport

For our new Year 7s who are turning 12 in 2015 (born in 2003), the representative pathway for sport will be the Sunnybank District (Primary Network). For all students who turn 13 – 19 next year, the West Brisbane District will be the district pathway. Both of these districts lead to Metropolitan West and State Representative teams.

Year 7 students born in 2003 who are outstanding swimmers should see me in the first week or contact me on the email below as the Sunnybank District nominations are due before we have our school swimming carnival on Friday, 6 February.

If parents have any questions around starting school next year, please don't hesitate to contact me on [mpete21@eq.edu.au](mailto:mpete21@eq.edu.au)

Take care and have a wonderful festive season.

**Matt Petersen**  
**Head of Department - Junior Secondary**  
**Ph: 3249 1456, Email: [mpete21@eq.edu.au](mailto:mpete21@eq.edu.au)**

## From the Year Level Co-ordinators

Y  
e  
a  
r  
9

Well I cannot believe the time has come for me to write my final newsletter item for the Year 9s of 2014. What a year we have had. Many of our Year 9 students have been involved in various activities this year and have achieved great success in a multitude of factors.

The major highlights for our Year 9s this year seem to be on the sporting field with our Year 9 Boys Basketball winning the title of the BEST team in Brisbane and Chloe Healy-Johnson being the third best 14 year old 200m butterfly swimmer in Australia. What a wonderful notable achievement.

The number of Year 9 students achieving success in the arts has also been wonderful to see, with our students involved in Creative Generation, Drama evenings and Drama Club, Dance evenings, choir and the Yeronga Band just to name a few. What a talented bunch!!!

2014 has also seen 21 Year 9 students successfully involved in the GOALS program, gaining some valuable life skills in the process.

We have finished the year under some tiring circumstances, cleaning up the school from the hail damage. Thank you to the Year 9 students who become the 'leaders' of the school in the last two weeks guiding the Year 8s and dealing with the change in routine due to the storms with maturity.

Year 9 students, continue to work hard in 2015 and follow your dreams. I look forward to following your journey into the senior years at Yeronga State High School.

I wish you all a happy and healthy Christmas and New Year's break.

**Felicity O'Neill**  
Year 9 Co-ordinator  
Ph: 3249 1481, Email: [fonei6@eq.edu.au](mailto:fonei6@eq.edu.au)

\*\*\*\*\*

## From the School Chaplain

Many within the school community have suffered greatly from the storm that came and went so quickly. I've heard some of your stories and as I drive around the area surrounding the school I can see that it is a situation that we will be faced with for months ahead. It has been so encouraging though to see the community at work, engaging with our neighbours and beyond to help others get back up on their feet.

I encourage you to let someone know if you find yourself still in need; to repair your house, or even if you feel you are not coping emotionally. Share your story with your friends and family who are your inner support group and ask for their help. It might also be important to seek professional advice, or prayer support from others of your own faith. There are many agencies that have professionals waiting to help eg Lifeline on 13 1114.

It is in these times of tragedy that we also come to realise what is most precious to us - our families and loved ones. It is a great reminder to us all to make sure that we give more to what is important in our lives. As the year comes to a close and we start to think about our plans for the next year and beyond, consider how you will honour and love those special to you, and continue to build into those relationships.

My thoughts and prayers are with you this Christmas Season. I hope that you enjoy the break with your loved ones, and that you have time to be refreshed and energised for a new year.

**Blessings**  
**Jennifer Bennett**  
[jenniferb@chappy.org.au](mailto:jenniferb@chappy.org.au)

### Scholarship

Congratulations to Year 11 student, Kimi who has been awarded a QATSIF Queensland Certificate of Education scholarship for 2015.

### The Inter-year Project (TIP)

Leadership training for the 2015 TIP Leaders was conducted on Wednesday, 3 December and Thursday, 4 December. Fifty-five students from Years 10 and 11 participated enthusiastically over the two day period. The training program focused on both the philosophy of TIP and the activities which are used in the weekly sessions with younger students.

#### Student Reflection on TIP Leadership Training

*"I liked Know Your Neighbour because it gave me the chance to know more about other people and what they like. It gives us the opportunity to know things that we didn't expect."*

*"We really liked Pass Your Name .....it was fun and it involved the whole group."*

*"I enjoyed Changing Chairs.....it will be easy to run and it's good to find out about people's similarities and differences."*

*"Changing Chairs gets kids active .....it made me laugh."*

Jada and Kelly..... *"We enjoyed Changing Chairs because we were all included and it was a great way to learn interesting things about each other."*

Mazia and Madina..... *"Changing Chairs was excellent as it makes students get out of their comfort zones. It gives them a chance to find out about other students."*

Olivia and Mariz..... *"We liked playing Two Clues on a Card. It was fun guessing who belonged to the clues."*

*"I enjoyed the Group Sentence most of all. It allows people to express themselves in a funny and relaxed environment."*

*"The Values Line allowed me to express my personal opinion and let people know more about each other."*

Amy and Tamana..... *"Changing Chairs was fun and made people get out of their comfort zones. It made them mix with students other than their friends."*

*"Changing Chairs made me meet people that I don't usually associate with."*

Linda..... *"Changing Chairs was engaging and helped people work together."*

Rachel..... *"Pass the Name helped me learn the names of other students."*

Atefeh and Loraine..... *"All activities were fun and enjoyable and appropriate to the program."*

Sharafat and Hayatullah..... *"Changing Chairs was fun. It needs to be explained well to students so that they can participate safely."*

Elisa..... *"Concentric Circles allowed us to communicate closely with other students."*

*"All activities helped us to work with each other."*

Omar and Reem..... *"Changing Chairs engaged us and helped us to get to know other students."*

Mohammed..... *"Changing Chairs was fun."*

Jackie and Hussain..... *"Pass Your Name was fun, didn't require us to move, and helped to build relationships to others."*

*"The most enjoyable activity was the Concentric Circles because it allowed you to invent a humorous story about somebody's item."*

Julia, Sonja, Ashleigh and Hussein..... *"The activity that we enjoyed was Concentric Circles because it allowed us to interact with a variety of people and make up stories for fun."*

**Brad Milford**  
Guidance Officer

## The Chinese Language Learning Journey at Yeronga SHS in 2014

What a great year it was in our Chinese class at Yeronga SHS in 2014.

In the Chinese program we have lots of fun with many fun activities all based on learning Mandarin Chinese. We play Chinese bingo with numbers up to 100! We use our Chinese language skills to make vokis - a great program online. We went to Chung Tian Temple which means Middle Heaven to study Chinese culture and language. We had a great visit, seeing the Buddhist rituals and eating some of the most delicious food which was great. We had some International visitors from a school in China and our class was one of the few who were able to greet them. We said our greeting words in Mandarin Chinese and ate lunch with them. Then they got up and showed us an amazing dance they had prepared in China. They went on to invite us to dance with them which caught us by surprise.

When I first went to the Chinese class I was skeptical about why I needed to learn a whole new language. Then Mr Huang changed all of that. Now I am one of the most eager learners to go on to Year 9 Chinese Program. I want to study hard so I can win a scholarship in Year 10 so I can go on an adventure trip to China. I look forward to learning Chinese next year at Yeronga State High School. I now understand why our Principal Mr Heath knows that Yeronga is the best school in the universe.

*James  
Year 8 student*

\*\*\*\*\*

## ECOMAN Program

From Monday, 24 November to Wednesday, 26 November, Year 10 Accounting students, along with Ms Hopewell, had the honour of attending the ECOMAN program at Yeronga SHS in the Professional Lounge.

ECOMAN is a business challenge that involves students working in teams, challenged with running a business successfully while at the same time competing against other companies.

During the program we learnt to manage a company, be punctual, take responsibilities and most importantly, working as a team. Team work was a very important aspect of this program, we learnt to appreciate people's suggestions as well as sharing ideas.

On Wednesday, the last day of the program, each company had to create a PowerPoint presentation for their shareholders. We had to show our shareholders how we performed throughout the four years and how we got to the level where we are now. In each group we all had a different role such as Chief Executive Officer, Financial Director, Human Resources Director, Production Director and Sales Director. We all had to present reports for our role.

Everyone did a great job. We ended our presentation with questions from the shareholders relating to the decisions we made in order to make the company successful.

On behalf of all the students, I would like to thank Ms Hopewell for allowing us to experience the challenges of running a business. It was a great experience! We all enjoyed it!

A thank you also goes to Mrs Pudlyk for catering such delicious food. We all had an awesome time eating as well!

*Rehana  
Year 10 student*

## Djembe Drummers!

The drums and percussion can be found in most cultures. As such, it is a great way for cultures to connect and share. This term I was lucky enough to teach seven talented Year 9 students how to play the djembe. Not only that, but along the way the students learned about persistence, patience and commitment.

All but one of the boys had played djembe before. However, by the end of term, all of them have become experts! Every Wednesday afternoon the group met up to learn the basics of the drum, how to communicate effectively and how work as a team.

The boys' efforts came together in the last week of school on assembly. The students performed four rhythms that they had created themselves in front of their peers. The performance was a huge success and I am very proud of their efforts. Look out for the boys next year when they open up Yeronga State High School's Multicultural Day celebrations!

*Sam Dilly  
Teacher*

\*\*\*\*\*

## Teachers' Turn to Learn

Although teachers are constantly learning and improving their content knowledge and pedagogical practices, during Week 9 many teachers had the opportunity to attend formal professional development activities, particularly related to Numeracy and Science. Mrs Bray and Mr Smith (pictured right) attended the Cutting Edge Science mini-conference conducted by Griffith University and DETE where they were able to hear about the latest research developments from noted local scientists. They also heard a keynote address from science celebratory and broadcaster Adam Spencer.

Many of the Maths staff (teachers and teacher aides) had a busy week attending a number of numeracy workshops that had a focus on preparing staff for the incoming Year 7 students. Three staff members attended a QCAA run workshop on proportional reasoning for Years 6 and 7. Five staff members attended a two day workshop over a couple of weeks on problem solving in numeracy, that provided models and strategies for assisting Years 7 to 9 students to develop their numeracy skills and problem solving ability. Twelve teachers and teacher aides attended a two day workshop on Numeracy First Steps.

The fun didn't stop there. Science teachers also had the opportunity for some hands-on participation at a workshop exploring the equipment the school has purchased as part of the STELR (Science and Technology Education Leveraging Relevance) project. The STELR project has been developed as a hands-on, enquiry-based approach to teaching some of the units within the Australian Curriculum for Years 8 to 10 Science. The project enables the students to build equipment and test hypotheses related to real world issues such as global warming and renewable energy.

*Lynda Colquhoun  
Teacher*

2014	
Monday, 15 December	Due date to submit documentation for 15 January offer round
2015	
Wednesday, 7 January	Final date to add, move or delete preferences for 15 January offer round
Thursday, 15 January	Offers released for courses commencing in Semester 1 2015
	Course vacancies for 5 February offer round available
Wednesday, 21 January	Final date to apply for 5 February offer round
Thursday, 22 January	Final date to respond to offers made on 15 January
Thursday, 29 January	Final date to change of add preferences for the 5 February offer round
Thursday, 5 February	Further offer round for courses commencing in Semester 1 2015
Wednesday, 11 February	Final date to respond to offers made on 5 February

## Uniform News

### School FORMAL Shoes

School shoes for the FORMAL UNIFORM are black leather lace-up shoes with a supportive heel.

### School SPORT Shoes

School sport shoes are runners with a supportive arch, laces, and sit under the ankle. No basketball shoes, flat 'loafer' type shoes, or casual sneakers.

## FROM THE SCHOOL OFFICE...

### Lost Property

Please check the Lost Property box regularly. There is a large number of items, especially Winter jumpers. All unclaimed lost property will be donated to a charity at the end of the year.

### ASK Magazine

The ASK magazine is currently being distributed to students once they have returned all school resources and have paid outstanding fees. They can collect their copy from the Library.

## Term 1- 2015

19 Jan	School office open
20-24 Jan	Uniform Shop open
26 Jan	Public holiday
27 Jan	First day of school for all year levels
6 Feb	Swimming carnival
9 Feb	Year 12 induction ceremony
10 Feb	Immunisations
11 Feb	School photos

## 2015 Uniform Shop Opening Hours

Date	Time
Monday, 19 January 2015	CLOSED
Tuesday, 20 January 2015	8.00 am - 1.30pm
Wednesday, 21 January 2015	8.00 am - 1.30pm
Thursday, 22 January 2015	8.00 am - 1.30pm
Friday, 23 January 2015	8.00 am - 1.30pm
Saturday, 24 January 2015	8.00 am - 1.30pm
Monday, 26 January 2015	CLOSED
Tuesday, 27 January 2015	7.30 am - 10.30 am
Wednesday, 28 January 2015	7.30 am - 10.30 am
Thursday, 29 January 2015	7.30 am - 10.30 am
Friday, 30 January 2015	7.30 am - 10.30 am
From Monday, 2 February the Uniform Shop will go back to normal opening hours Open Monday, Tuesday, Thursday, Friday from 7.30am - 8.45am	

**Yoga at Yeronga resumes Wednesday 28 Jan 2015 5 -7 pm**

**New class starting Saturday 14 Feb 8.30-10.30am**

Classes held during school terms in N14, Norm Lee Cultural Centre, 159 Villa St Yeronga

Payment of \$100 due in 5 week blocks which you can start any time.

All levels and ages welcome
