

Dear Students and Parents/Carers

Do you currently play a musical instrument or have you ever wanted to learn? At Yeronga State High School, we have a high-quality Brass, Strings, Woodwind and Percussion Instrumental Music program with some of the best teachers in Queensland. Lessons are offered during the school hours and students have regular opportunities to perform as part of a group at community functions, Anzac Day, assemblies, music nights, and arts festivals.

Students are able to study and play multiple instruments within the program. If you don't own an instrument, we have a great range of options available.

- Lessons for Brass, String, Woodwind and Percussion instruments, as well as keyboard and guitar.
- The loan of Brass, Woodwind and String instruments are also available.

Please note, if a school instrument is damaged or lost (excluding reasonable wear and tear) during the loan term of the instrument, the parent/carer of the student will be responsible for replacement, restoration or payment for a new instrument so that the instrument can be returned to the school in the condition in which it was received.

Instrumental Music is a lot of fun and a great way to meet and mix with like-minded students when you first come to high school. If you are not sure, come along and check it out when you arrive.

When enrolling at Yeronga SHS, please complete and submit the form below to express your interest in being involved in the Instrument Music program. Towards the end of the year, we will send home more information outlining costs for participating in this program.

I look forward to meeting all potential band members and their families. If you have any questions, please contact me on 3249 1400 or email axjon1@eq.edu.au

Regards

Adrienne Jones
Head of Department – The Arts
