

ARTS ACADEMY

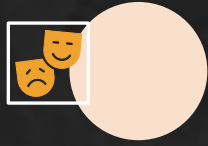

Inspiring Creativity &
Cultivating Success

In the Arts, we believe...

- * Creativity is fostered by providing safe places to make, play experiment, perform, imagine and be ambitious.
- * Young people thrive in a collaborative approach.
- * High expectations and focused rigorous questioning creates excellence in art works and performances.
- * Enjoyment and success are integral to learning.

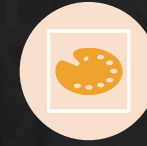

The Arts Academy Program is designed for students with an interest, passion and talent in the Creative, Visual and Performing Arts.

As part of the learning philosophy around this Academy it is expected that students participate in the range of extracurricular activities offered by the school.

Access to a wide range of performances, artists, exhibitions and events.
