**QUALITY PATHWAYS
TO SUCCESS**

WELCOME TO YERONGA STATE HIGH SCHOOL

Thank you for visiting our school and experiencing our vision and values in action. Founded in 1960, Yeronga State High has a rich history of blending tradition with innovative learning to ensure students achieve Quality Pathways to Success.

During your visit, you'll observe a wide range of subject activities and participate in learning experiences from our curriculum offerings. We are proud of our diverse academic and vocational subjects and invite you to explore our Academies, including the Arts, STEM, Spanish and Athletes. Information sessions about these programs will be available throughout Open Day.

As an Independent Public School, we are committed to providing tailored education and fostering community engagement. Our partnerships with tertiary institutions and industries open new opportunities for our students and help ensure that every student can achieve success.

Choosing the right school is an important decision. If you'd like to visit again or discuss further, please contact me. I look forward to meeting you during this special event.
