This form is to be completed for QSA Subjects and QSA Registered (SAS) Subjects only.

**Policy: Exemption** – (allowing non-completion of some particular piece of assessment)

An exemption should only be allowed when there is sufficient alternative information to make a judgment about an exit level of achievement without the student having to complete a particular assessment instrument. For example, an exemption may be appropriate where a student has missed an assessment instrument due to illness or because of some other legitimate absence, and completing the assessment would place an unreasonable burden on the student.

An exemption is inappropriate if it results in insufficient evidence being available to make a judgment about the student’s exit level of achievement, or the student being unable to meet the mandatory requirements stated in a syllabus or study area specification.

For VET subjects there is no mechanism for exemption as they students need to complete all competencies.
