Elected representatives play integral roles in school decision-making processes, action planning, target setting, and engaging in volunteering initiatives. We provide abundant opportunities for students to assume leadership positions, ranging from formal roles like School and Vice Captains, Cultural and Sporting Captains, to emerging roles such as Sustainability and First Nations Captains.

Year Level Representatives spanning Years 7 to 11 amplify student voice by addressing issues and concerns in bi-weekly Student Council meetings. These leaders also collaborate with mentors on Social Action Projects, demonstrating our commitment to fostering meaningful student-led initiatives.

QUALITY PATHWAYS TO SUCCESS

Celebrating student success is the greatest joy for a school community...

No matter how big or small, all students experience success at Yeronga. Our rich and varied cultural, academic, sporting and leadership programs offer many opportunities for students to feel good about themselves and their achievements. Teachers and Learner Agency Mentors regularly monitor the learning and wellbeing of their students through direct contact, regular feedback and through our GROWTH goals with Learner Agency Conversations. At the beginning of each semester, students partner with their teachers to track their success. Student success is also monitored by the Heads of Department and the Deputy Principals. Academic Monitoring and celebrating effort, improvement and success is important as it teaches students to take responsibility for their own learning. Setting achievable academic goals and by enacting a monitoring progress, students have a greater sense of ownership with their learning journey.
